

PARTNERS IN SUCCESS ATHENA OAKVILLE

The Zonta Club of Oakville

SPONSOR PROFILE

Celebrating the potential of all women as valued members and leaders of the community, and recognizing those who support them.

ATHENA Oakville enters its tenth year. Without sponsorship, this would not be possible. ATHENA Oakville recognizes that a huge part of ATHENA'S success is due to the generosity of sponsors. This ad is an ongoing series paying tribute to our sponsors and in their own words they tell us why they feel involvement with ATHENA is important.

The ZONTA CLUB of Oakville work together to offer solutions to further women's education, health, leadership and youth development. ZONTA International brings women's concerns to the UN and draws public attention to these issues. This so clearly mirrors the ATHENA model: awarding fellow men and/or women who make it their life's work and passion to mentor, support and empower women in this community.

ZONTA is proud to have had a member nominated for the ATHENA award in 2002, 2003, 2004 and now 2006.
