Budds' Zonta car rally raises \$4,800

The first annual Budds' Subaru-sponsored Zonta Adventure Car Rally zoomed across the finish line thanks to a great team effort led by Barb Mayhew.

Mayhew and her team of volunteers conceived of the rally idea and spent many many hours over the past few months creating the course and making sure the day was fun and exciting for everyone.

The event raised \$4,800 last Sunday for local women's groups in need of financial support.

The rally was a huge success and the winning team finished the timed portion with only two minutes to go.

When all the points were tallied the Subaru-sponsored WRX had the top score. The winning team answered the brainteasers and found the scavenger hunt items.

Joanne Watson, the Oakville Club's President, said: "The event's success is thanks to the generosity of the participants, our sponsors and the hard work of Zonta members especially Barb Mayhew."

At the post rally celebration at Kelsey's, Chris Budd of Budds' Subaru said he is looking forward to next year's rally as is Zonta. Sponsors included Kelsey's, Skid Control School and McDonald's.
