

**Zonta Friends and Golfers:**

**Plans are underway for the eighth annual *Zonta Classic*. This women's only golf tournament will once again raise funds for the research and treatment of breast cancer. This year's event will be held at Lionhead Golf and Country Club in Brampton on May 24<sup>th</sup>, 2006. It will be held in conjunction with seven other Zonta women's golf tournaments across Ontario, in the fight against breast cancer. We are targeting reaching the 2 Million Dollar mark in funds raised, so we want to make this the best ever tournament.**

**The primary objective of this event is to bring professional women together for a fun-filled day in a scramble golf tournament, with the common goal of raising money to help combat breast cancer.**

**Zonta is a worldwide service organization of executives and professionals, working together to advance the status of women and children. This exciting fundraiser is hosted by the Zonta Clubs of Brampton-Caledon, Mississauga and Oakville.**

**Although the research and treatment has made great strides in the detection and treatment of breast cancer, there is still much to do. Our goal is not reached until we can say that the majority of women will not suffer from this disease.**

**This package includes sponsorship opportunities available to promote your business to professional women, and a registration form for your clients, friends, or yourself. As the tournament was a sell out last year, we recommend you register early by credit card, which we can process as of March 1<sup>st</sup>, 2006.**

**We look forward to partnering with you at the Zonta Classic.**

**Sincerely,**

**Sue Bond**
